Welcome

Welcome to Pulaski Summer School 2024. We are excited to be back for another great year of summer school in the Pulaski Community School District.

From the Director

Dear Summer School Families,

A mild winter makes us want summer right now. As our parents and grandparents reminded us, patience. We know Mother Nature will always get the last word.

We will have some big changes this year, but for some of our older students, it will not be new. With the construction that will be taking place, we will be moving to PHS and Lannoye. We have been at both of these schools in the past. For grades 1-12, the majority of the program will be at the High School this year. Early Childhood, 4K and 5K will be at Lannoye. Outlying schools will be bussed to PHS and 4K and 5K students will be shuttled to Lannoye.

As in the past, the heart of the summer school program will run from 8:00am - 1:15pm. We will again have free breakfast and lunch for ALL kids age 18 and under at PHS. Lunch will not be provided at Lannoye. We will again offer an extended day that runs until 3:00pm at Lannoye and 3:30pm at PHS. Our 4K & 5K will have the option to ride a shuttle back to PHS and connect with a bus back to their home site or be picked up at Lannoye.

We also have a special treat this year. Since school is ending early, we will be able to offer 2 swim classes for a term (June 3 - June 14). Hopefully this will allow more students an opportunity to receive lessons.

There will be communications sent home multiple times and multiple ways explaining the specifics of the day at each site.

I am excited to see you all on June 17

Mark Heck

Confirmations & Schedules

Your online registration is your confirmation. Summer school schedules will be sent home, by first class mail, at the beginning of June as confirmation of registration and payment. To ensure that your student receives a schedule, payment must be made in full by the May 25th payment deadline. Schedules will list classes for all three terms, teachers, classroom numbers and lunch period.

Fee & Payment Information

Payment Information

The deadline for online registration is Sunday, April 28th. After this day, all schedules will be locked. If you decide that your student will not be attending a class they are registered for, please remove the class from their schedule before the registration deadline. Course fees will be applied to your student's Fee Management account in Skyward Family Access on Wednesday, May 8th. After this date, you will be responsible for payment of all fees associated with Summer School classes regardless of attendance. Fees will remain on student's Skyward accounts until they are paid. There is an additional \$25 per term fee for out-of-district students.

Payments will be accepted beginning Wednesday, May 8th until Saturday, May 25th. As in the past, payments can be made online (highly recommended) with a credit card or by e-check or with cash or check by mail or in person to the Summer School Office. Cash payments must be exact as we do not have the ability to make change. Please do not send cash or check payments until the payment period begins. Any payments received prior will not be processed until this time. Payments cannot be accepted over the phone. All payments must be received by Saturday, May 25th.

There will be a \$35 NSF charge on all returned checks.

Financial Assistance

Financial assistance is available to those who qualify for free or reduced lunch. Please call the Summer School Office at 822-6053 or 822-6058 for more information. If a student requests Summer School financial assistance but does not attend the classes they are registered for, the fee waiver will not be applied to the student's account.
