"Wiese Brothers Farm was a partnership purchased from our Dad in 1982. It was a cash cropping operation where we owned and rented 500 acres until 1995 when we started with dairy. We had no full time employees in 1982 but today we have close to 100! Today we farm roughly 7,200 acres with 6,400 milk cows!" - Mark Wiese

CLASS & OFFERINGS

DISCLAIMERS

When classes, camps and other offerings are placed in this magazine it is done to provide our community with information about life-long learning opportunities. We gather the information from the instructors and coaches and place it into our magazine. Typos and errors are possible even with proofing attempts. We include the contact information so that you can call the instructor or coach directly, as well as the building being used. Supervisors sometimes must make changes after the magazine has gone to print. We apologize for any inconvenience these changes may cause, but we cannot be held responsible for them, or the announcements of them. **Changes are posted as soon as we are made aware of them in our line version at www.pulaskischools.org/page.**

PACE tries very diligently to only include reputable and reliable information; please let us know if there is anything we should be made aware of with our offerings. Thank you for your understanding. **All PACE classes are open to everyone in this area.**

We have many great opportunities for all children including Parochial School, Home Schooled students, and adults. Age limits for each class do not apply to everyone. The district does not discriminate in admissions to any school, class, program or activity based on traits of sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or state civil rights laws. For the safety of our community, School Closings and Early Releases due to weather or emergencies means that **all** PACE activities are also canceled for that evening. Offerings in this magazine can now be registered or paid for online using the directions on the home page.

Open weekdays from 7:30 am to 3:30 pm, other times by appointment. Please use the buzzer at Entrance #6

CONFIRMATION: Due to time and expense, we do not send confirmations when classes are going as scheduled. Assume your registration is confirmed and the class will meet as scheduled if you have submitted your registration from and fees. You will only be notified if a class is filled or canceled.

PRE-REGISTRATION: Pre-registration is of MOST importance. Lack of registrations will cause the class to be canceled one week prior to the beginning.

CANCELLATIONS: No class will be conducted without sufficient registrations. When maximum capacity has been reached for any class, registration for the class will be closed.

WEATHER CANCELLATIONS: If school is canceled due to bad weather, all buildings will be closed that same evening. If school is in session, generally evening programs will run.

REFUND POLICY: If, after pre-registering, it is necessary for you to cancel, notify the PACE office no less than one week before the beginning of the class, your fee, minus a \$5.00 cancellation fee, will be refunded. Simply not attending the class or camp you registered for does not qualify you for a refund.

NON-SUFFICIENT-FUND CHECK POLICY: A fee of \$35 will be added to the amount of the NSF check, and full reimbursement must be paid in cash, to the PACE Office, prior to attending the selection.
