

# Pulaski Education Foundation Contribution & Pledge Form

As a resident of the Pulaski Community School District, you have the unique opportunity to receive a quality public school education. From the classroom to extra-curricular activities, Pulaski offers a chance to learn and grow in a safe and nurturing environment.

In an effort to perpetuate the positive school/community relations that have been a hallmark of the Pulaski Community Schools, the Pulaski Community School Education Foundation, Inc. (PEF) was established in 1993.

The goals of the Foundation are:

- Support projects and programs that are not funded through the district's operating budget.
- Support enrichment programs for students and staff in all of Pulaski's schools.
- Support curriculum innovation and the equipment and materials needed to implement it.
- Provide scholarships and grants to students and teaching staff.

Since its inception, over \$224,000.00 in scholarships have been awarded to graduating students pursuing higher education and over \$57,500.00 in grants have been awarded to staff seeking to enrich their programs through innovation.

The Foundation provides alumni and friends of the school a way to give back - a way to say thank you for the many wonderful opportunities the school made available to you. Your financial support of the Foundation will ensure that Pulaski's tradition of educational excellence continues. It is in the spirit of our school and of the future children of the school district that the Foundation asks you to favorably consider becoming a member of the Foundation. Members of the Foundation are leaders in guaranteeing the outstanding educational programs of our school.

Below you will find a contribution and pledge form. You can, of course, give whatever you choose. However, if you choose to donate at the gold, silver or bronze leaf level, your name or family's name, will be engraved on a leaf and put on display on the Foundation Tree of Knowledge. The tree is on permanent display in the Pulaski High School.

A good education is a gift. An excellent education is a priceless gift. Let's ensure that the future remains bright for all of our children, and that positive community/school relations continue to be a hallmark of the Pulaski Community Schools.

---
