PACE Piano Lessons 2023-2024

Piano lessons for the 2023-2024 school year will be coordinated through the Pulaski Area Community Education (PACE) office. Lessons this year are again offered to Pulaski Community School District students in grades 4 through 12 on a space available basis. Some of our schools will no longer allow children to be removed from their regular school day schedule to attend a PACE piano lesson.

A private, individual lesson will run twenty-five to thirty minutes in length and will be scheduled in eight-week intervals. The fee per student for each eight-week session will be **$100**. **The fee must be paid to the PACE Office at PO Box 36 Pulaski, WI 54162 prior to the beginning of each eight-week session.** Lessons can not begin until payment has been received. **If payment is received after the due date the amount due will be $110.** A payment voucher is attached to this enrollment form; we will have to insist that payments be made on time to continue lessons. Please note that students will be charged for each lesson unless the teacher is absent or unless school has been officially canceled, or is in recess. In those cases, lessons will be made up at a later date. Although there will be no refunds for the absence of the student, lessons may be made up if teacher time allows. **Music books must be paid directly to Mrs. Heling.**

Bev Heling has asked us to remind parents that students must have an instrument at home and are expected to practice each assigned lesson a minimum of 30 minutes per day. If you are planning to purchase a piano, you may contact Bev at 715-758-8600 or her cell 920-716-0297 with questions regarding this type of purchase, or with questions about the piano program. New students will be contacted prior to scheduling.
